"Send a Kid to Camp Campaign" the

Summer fun at a Y camp is an exciting time of friendships & memories for kids! Our mission is to never turn anyone away with the inability to pay; it's the Y's commitment to make the "Y for All" and help kids enjoy the "best summer ever" at the Y - but it is a challenge. Financial assistance requests are \$25,000 more than last year, so we are asking for those who care about kids to help.

By giving to our "Send a Kid to Camp" campaign, not only will you help a child go to Camp Ulbrich but you can also honor a Wallingford Y employee "Rock Star" WITH a star to be displayed in our lobby. Consider helping a kid today!
